

GLUTTEN *free* / ALLERGY

To all our valued guests

We are now featuring a *gf* symbol on all of our menus to indicate an item is gluten free. If you have a particular ingredient of concern please advise your server. **For your safety definitely advise us if you have any ingredient which will cause an extreme allergic reaction.**

Our hope is that all of our guests can enjoy and appreciate the wonderful food we have here.

Thanks

Warm Regards,
The Cascad Crew
